NETSTREAMS NAMES LINDA GLADDEN NEW VICE PRESIDENT OF

WORLDWIDE SALES

Position to Oversee *NetStreams*' Domestic and International Sales

AUSTIN, Texas – August 31, 2007 – *NetStreams*TM, the global leader in networked audio/video distribution systems based on Internet Protocol (IP), has appointed Linda Gladden as Vice President of Worldwide Sales. Responsible for leading the company's sales efforts in the residential, commercial, and international markets, Gladden will continue to build on *NetStreams*' established market presence. Gladden will report to Kevin Reinis, CEO of *NetStreams*.

"We are extremely delighted to have Linda joining our team. Her expertise in sales execution and management in a variety of industries makes her a valuable addition to our senior executive team," said Kevin Reinis, President and CEO of *NetStreams*.

Formerly the Vice President of Americas and Asia Pacific Sales for Yosemite Technologies, Gladden has over 15 years of experience in the technology industry including sales, sales operations and channel management roles. Additionally, Gladden worked at Sun Microsystems, Inc. (Nasdaq: SUNW) for nine years in a variety of channel operations roles, including director of the North America reseller channel.
